1.2. Payment of entry fee

1.2.1. Single entry prior to the event:

- A. **Youth 100 €:** A payment of 100 €, must be received 1 week prior to the commencement of the event for U19 athletes. (This means that the athlete can be max. 18 years old at the date of the event). If the payment of the entry fee does arrive within 1 week of the accreditation, the athlete has to pay 50 € extra at the accreditation and will be treated as remaining spots.
- B. **Women 100 €:** A payment of 100 €, must be received 2 weeks prior to the commencement of the event for Women athletes who want to participate at the Men Euro Tour events. If the entry fee payment is not in our account within 1 week prior to the event accreditation, their entry will be treated as remaining spots, which in this category start at 150 € per entry.
- C. **Others 150 €:** A payment of 150.00 €, must be received 2 weeks prior to the commencement of the tournament for all other athletes. If the entry fee payment is not in our account within 1 week prior to the event accreditation, their entry will be treated as remaining spots which start at 200 € per entry .

1.2.2 Remaining spots

Places that are remaining after the above 3 categories will be available on the day of the accreditation on a first come first serve basis at 200 € up to 17.00h.

The amount of available spots will be visible via our web site. Entry fees received after the event has started will be charged an extra penalty fee of 75€. This rule is valid for all categories also under point 1.2.1.

Where possible, the draw will be made prior to the tournament with athletes who have paid in the first 3 categories mentioned under point 1.2.1. able to see when they have to play.

Athletes mentioned under point 1.2.2. 3 will be drawn into the remaining blank spots on the accreditation day.

Changing of athletes or the selling of spots after payment is not permitted and any cancellations will be allocated on the accreditation day.

1.2.3 Cancellation of announcements

If an athlete has announced for a Euro Tour event and has paid the entry fee, it is allowed to cancel the participation without losing the entry fee. The cancellation will be accepted if the cancellation is sent in writing, a minimum of one week before the accreditation start of the event to the tour manager.

The paid entry fee will be forwarded to the next event or it can be returned to the athlete.

Cancellations within one week of the accreditation start of the event, can only be accepted if the athlete is sick or has an accident or an accureness in that direction. All cancellations within a week of the accreditation start of the event needs a certification from a docter or police in order to make sure that the entry fee is not lost.

If all documents are provided in due time (max. 3 weeks after the cancellation) then the entry fee will be forwarded to the next event or returned to the athlete.

In all other cases with exception of the above (1.3.) the entry fee will not be returned and therefore is lost.

IBPF reserve the right to issue or decline a refund.

If an athlete announces for the event and chooses to pay on arrival but fails to show, the payment is still binding as no official cancellation was received. The athlete in question will then be put on the so called „black list“ which means that the open amount entry fee first has to be paid before the Athlete in question can enter a next Euro Tour event.

Athletes representing nations in which there is no National Federation can apply for a direct membership to the EPBF. After each Euro Tour stop the new ranking list will be updated on the Euro Tour website.

From the last 7 tour stops, up to 6 results will be used to form the rankings, discounting the worst result from the 7 played.

1.9 Referee's

The IPBF / EPBF will endeavour to have at least one (1) referee present at the venue for the duration of the event. The athletes are responsible for match scoring through the equipment supplied and are responsible for calling the referee when needed.

1.10 Time limit

In order to better control the schedule of an event, a shot clock can be implemented at any time during or even at the start of a match and is down to the TL's discretion. After enforcing the shot clock the time for each shot is 35 seconds, with a warning after 25 seconds. Each athlete will be allowed one 25-second extension during each rack. The shot clock will be started when all balls come to rest, including spinning balls. The shot clock will end when the cue tip strikes the cue ball to initiate a stroke or the when athlete's time expires from the shot clock. If an athlete runs out of time, it will be a standard foul.

Shot clock will be automatically implemented from the beginning of the Semi Finals and Final matches. This is due to the fact that a TV production will be made of these matches.

1.11 No show

Athletes must be at the venue and ready to play their assigned match 30 minutes before the appointed match time (appointed match time is the time mentioned at each match on the flowchart). If an athlete is late for his appointed match time (which is 30 minutes before the time mentioned at the flowchart), he / she will have a maximum of twenty minutes to report to his assigned table ready to play or he will lose the match. If an athlete is not present and ready to play at the moment that the match is assigned and called to the table the following procedure is in force. 6 minutes late = 1 game to the opponent, 11 minutes = 2 games, 16 minutes = 3 games. When 20 minutes have elapsed the game is forfeited. Tournament officials are the only ones who have the power to implement this.

If an athlete is not present within 20 minutes following the official announcement of his/her match, this match will be forfeited. Should this happen in the winner's bracket of a double elimination system, he/she will be placed in the loser's bracket. Otherwise such athlete is disqualified. Should both athletes in one and the same match in the winner's bracket arrive too late, both of them will be disqualified since both of them cannot use the one and only existing spot in the loser's bracket.

1.12 Tapping of Tables

At the Eurotour, the tables are tapped. In 9-ball the position of the racked balls will be moved upwards so that the 9-ball is placed on the spot. Athletes must never tap the tables; only tournament officials should tap or re-tap the racking area if required.

The opponent must remain seated as in normal play, if he decides to use his time-out in the same time no further time out will be allowed.

The athlete taking the time out should remember that his actions must be within the spirit of the game and if he acts otherwise, he is subject to a penalty under the Unsportsmanlike Conduct. Reasons for an imposed penalty are: taking time out other than in between the racks, smoking or drinking alcohol during the time-out and late return after a time-out.

Penalties for such violations are; a game/frame (current and/or next) is awarded to the opponent. Should an athlete violate this rule a second time, the athlete will be disqualified from the discipline and/or event.

1.15 Unsportsmanlike Conduct

The rules and regulations give the referee and other officials considerable latitude in penalizing unsportsmanlike conduct. Several factors should be considered in such decisions, including previous conduct, previous warnings, how serious the offense is, and information that the athletes may have been given at the athletes meeting at the start of the tournament.

1.16 Additional rules

EPBF / IBPF have the option to make necessary additional regulations prior to each event. Additional changes must be announced with the invitation and or at the athletes meeting.

1.17 Three point rule (only for 9-Ball)

In order to avoid that athletes are using the so-called “soft-breaks” that would allow increased control over breaks and allow advantages beyond what was foreseen when the 9-Ball discipline was introduced, the EPBF has decided to introduce special break rules. The following rules are to be seen as an addition to the WPA 9-Ball rules that otherwise are valid in all EPBF events. The three point rule is explained in detail in the EPBF Sports Regulations.
